PATENT AGREEMENT

I have read, and I understand the Patent and Copyright Policies of North Carolina State University as distributed to me in printed form. I agree to abide by the Policies and to promptly communicate to the University a full and complete disclosure of all inventions conceived or reduced to practice by me in connection with my work supported in whole or in part by the University. I further agree that I will assign the inventions and all patents and applications relating thereto to North Carolina State University, a sponsor, or the Federal government as and when requested by the University. I understand that unless otherwise specifically agreed in writing I shall receive a share of the gross revenues from the licensing or sales of my invention in accordance with the revenue distribution formula set forth under the Policies. I understand that the University will rely upon this Agreement in making research and licensing agreements with other parties. This Agreement shall not apply to any invention which does not come within the scope of University ownership as defined under Patent and Copyright Policies.
