MTT-S Operations

Status of Publicity Efforts

(J. Wendler)

- ✓ Editors of Transactions and Letters have agreed to run guest editorials on OPeRA and bibliographic searching.
- ✓ Draft editorial has been reviewed for accuracy by IEEE; final corrections now being made. Article should be sent to editors by 9/20.
- ✓ Editors of major trade magazines contacted. (Applied Microwaves, Microwave Journal, Microwaves and RF, RF Design) Editorial will be supplied to them for their decision on how to best publish. (SQUIB, article, advertisement?)
